Volunteer Role Description
Performers/Entertainers
Newtown Lights 2020

Role Title:	Performers/Entertainers
Where:	Newtown Community
When/What:	Event Day- November 28th 2020 Rehearsals- as much as you want to do from now till the event.
Is this role for you?	Are you an individual or group? Do you like singing, dancing, performing comedy, gymnastics? Write poetry, DJ? Run a choir, band, stage school or other group? If so… we would like you to be part of an evening's online entertainment on November 28th 2020 as part of 'Newtown Lights' evening event programme-'#NewtownTV'. Let's get you booked in! Performances will be live streamed from wherever you are and performance slots will be limited in number and duration and allocations will be made to prioritise a varied programme. Early contacts being placed higher on the list. NB: The programme will include some pre-recordings where appropriate/ needed - so if this is necessary for you please let us know.
What's in it for you?	To showcase your or your groups skills to the whole community through an online live streamed platform and to be guided through live stream filming techniques by a professional film crew.

What's Involved?	• To facilitate your own rehearsals leading up to the event. • To attend a short meeting live- stream filming induction with the film company on the day of the event (in Newtown Centre). • Access to a smart phone for live stream filming on the event day. (If you prefer offering pre recorded films for the programme these would need to be sent to us at least 1 week prior to the event). • To connect with your evening event programmer and feeding back to them where requested. • To work within 'Celf Your Health' on our largest arts and wellbeing community project serving Newtown yet. • Become familiar with our Safe and ethical practice' guidelines as an advocate and ambassador for CYH's aims.
This Role Will Suit People Who?	Love to perform, entertain and connect with people. Enjoy facilitating a group to showcase skills and talents. Offer family orientated creative/ arts forms. Are interested in live-streaming/filming as a COVID safe platform.

ABOUT THE EVENT Our aim is to support local people to develop new skills, harness their talents and connect with the larger community, with as many local people as possible having the opportunity to experience arts as a resource towards health and wellbeing.

By -

- Offering resources online including samba rhythms, dance and lantern making for local people to access at home or within their organisations.
- Running a parade showcasing local children's lanterns within COVID guidelines.
- Providing a live streamed filming of 'The Lights' parade-switch on and an evening programme of entertainment by local people- for local people to access online.
- Running a project focussing on the value of the process as much as the event itself - from September till the event day -Nov 28th 2020

ABOUT CELF YOUR HEALTH We are a small local social enterprise, offering projects that enable arts to be accessed widely across the community.
We focus on arts as a therapeutic experience and a path toward developing and sustaining health and wellbeing.

Our focus is on developing individuals and a cohesive diverse community network. We advocate valuing mental and emotional health in line with physical health as a normal and essential part of living.

MORE INFORMATION You may be asked to attend an informal interview and induction either in person or on video/phone call.

Most people working on this project are volunteering their time to a greater or lesser extent. It is an ambitious project on a shoe-string budget, run 'by the people- for the people'. Our hope is that everyone involved will spread the news as much as they can and we can bring people and the community together to enjoy some creative, connective magic.

Let's Light Up Newtown and celebrate the amazing local talent we are lucky to have. We'd love to hear from you.Warm wishes Celf Your Health.
