

Vaynor Stores loop

This walk starts at the Vaynor Stores and with your back to the shop entrance walk down the main road, Heol Vaynor in the direction of town.

You will pass several side streets and after Lon Glanyrafon take the paved footpath on the left.

At the fence at the end of the path turn right down the steps then turn right and immediately left.

At the T junction turn left then at the next junction continue straight ahead behind back gardens then bear right down the steps to the river.

Follow around the edge of the field anti-clockwise with the river on your right and then continue away from the river around the 'wetland area/pond'. At the notice board, take the gravel track on the right up to Glandwr Road. Turn left to return to the Vaynor Stores.
